

North Shore-LIJ Health System is now **Northwell Health**

January 3, 2017

New York FAA  
1 Teleport Dr. Suite 202  
Staten Island, N.Y 10311  
Attn: Karen DeGirolarmo

Dear Ms. DeGirolarmo,

How are you? Hope your holidays were wonderful. On behalf of the Department of Pediatrics here at Staten Island University Hospital I would like to thank FAA for the incredibly generous visit. It was so great to see all of you on Tuesday, December 6, 2016. As always, the gifts for our children were amazing, they loved them and their parents were very appreciative as well.

It is so reassuring to know that there are such amazingly wonderful and generous people in our community who truly care about hospitalized children. At this time I would like to let you know that FAA has become one of our very special friends. This means that your organization has shown dedication to our unit and continues to visit us every year. We sincerely appreciate your continued generous and friendly visits to our Pediatric Unit during the holiday season.

Once again, thank you all so very much for your kind and wonderful visit to the smallest patients we serve here at our hospital. The gifts were so very generous and abundant and for this we thank you. Please thank everyone who participated in this toy drive for us and let them know how thankful we all are for this generosity. On behalf of our Pediatric Unit I would like to wish everyone at FAA a very Happy & Healthy New Year.

Sincerely,

Vivian Alestra  
Child Life Specialist  
Department of Pediatrics
