2047 Victory Boulevard  
Staten Island, New York 10314

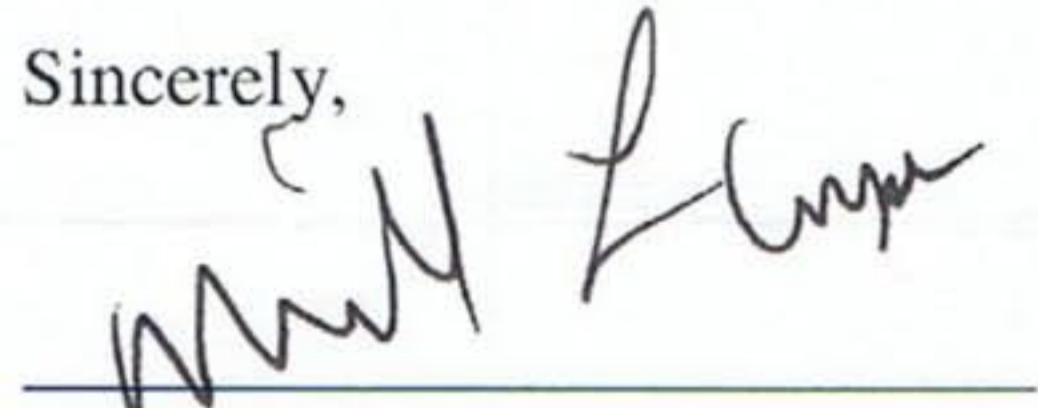

All Members of the New York Fire Alarm Association,

On behalf of The Board of Trustees, Administration, and the staff of the Jerome L. Finkelstein Regional Burn Center at Staten Island University Hospital we would like to personally thank you for your recent visit to the Burn Unit. The holiday gifts you presented to our pediatric patients during your 2014 Toy Drive always makes a difficult time more pleasant for our pediatric patients and their families.

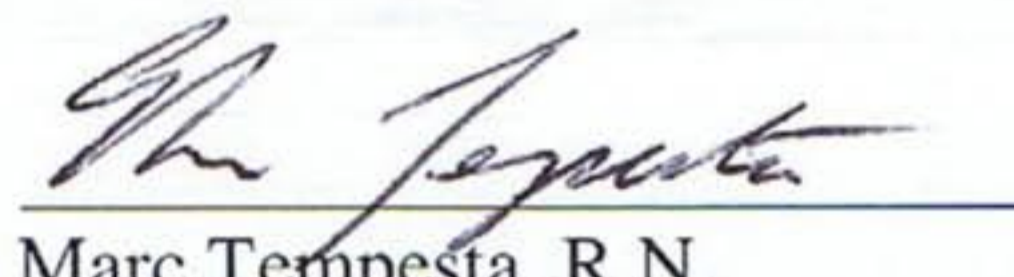

Donations such as yours make it possible for the Burn Center to continue its work and provide the care needed by our surroundings communities and allows us to meet the specific needs of our pediatric patient population.

Thank you once again.

Sincerely,

Michael L. Cooper, M.D.  
Director, Regional Burn Center

Marc Tempesta, R.N.  
Administrative Director of Burn Services
