1 Teleport Drive, Suite 202
Staten Island, NY 10311

Dear Mr. Petrarca,

Thank you for your \$2500 donation to the SCVFBCF. We sincerely appreciate the fundraising efforts and generosity of members. Thank you for the kind hospitality you showed Dr. Marcia Simon and Claudia Harford, especially given their delayed arrival at your dinner meeting. They informed us of the invitation to your September meeting.

We understand that the truck load of toys delivered to our Burn unit for the holidays was actually donated by *all* the members of your organization. Despite the original miscommunication, let me assure you that the patients and staff were "wowed" by your generosity. It put smiles on everyone's faces.

Your generous donation helps us to continue our mission- to fund training and research in burn care at the Burn Unit, burn prevention education within our community, and ongoing research at the Living Skin Bank.

On behalf of the Trustees and members of the Suffolk County Volunteer Firefighters Burn Center Fund, and the doctors and dedicated staff members of the Burn Unit, I would like to thank you for your continued support.

No goods or services were provided in exchange for your generous financial donation. Your contribution is tax deductible to the extent allowed by law. This is your receipt; please keep it for your records.

Sincerely,
John R. Lussa
