On behalf of the New York City Fire Department and the FDNY Foundation, thank you and NYFAA for your support of the 2021 FDNY Foundation Dinner.

The FDNY Foundation Dinner was an opportunity for all who love and respect the FDNY to remember the past and celebrate the many achievements of today's Department.

As we look back to the 20th Anniversary of 9/11, we reflect on the resilience of New York City in the face of many challenges. FDNY uniform members responded to catastrophic storms, terrorism threats and a global pandemic.

Our annual dinner raised much needed funding for programs, training and equipment to ensure that the men and women of the FDNY have access to the world's best resources.

Your donation also allows the FDNY Foundation to assist the Department in its fire prevention and educational outreach, so that fire fatalities remain at record lows.

Thank you again.

Sincerely,

Jean O'Shea
