Dear John and Members of the NYFAA,

The New York Firefighter's Burn Center Foundation would like to thank you for your generous donation of \$5,000. We are proud to be the recipient of your continued generosity and compassion.

Your support is a vital aspect for the services we provide. Our funding assists those who care for burn injury through the promotion of improved care, research and prevention. In addition, our funds provide advanced training for the burn team, specialized equipment purchase, support for the skin bank and allow pediatric burn victims the opportunity to attend children's burn camp.

The goal of the New York Firefighter's Burn Center Foundation is to make quality burn care available to all who are seriously burned regardless of age, race, creed or economic status. Thank you for thinking of The Foundation and those we serve.

Sincerely,

FDNY Lt. William Leahy
President
