Dear Friends,

On behalf of our Pediatric Unit here at Staten Island University Hospital I would like to thank your company for the wonderful holiday visit. It was great to see you again and also meet new people. We are very thankful for the great toys and gifts for our pediatric patients. As always, the gifts were wonderful, our patients loved them and their parents were very appreciative as well.

It is very reassuring to know that there are so many wonderful people who truly care about hospitalized children. It is especially great that you guys traveled all the way from Long Island to visit us. Please thank everyone involved in this year's toy drive. We truly appreciate all the efforts that went into the toy donations.

Once again, thank you all so much. On behalf of our Pediatric Unit, I would like to wish everyone a very Happy & Healthy New Year!

Sincerely,

Vivian Alestra
Child Life Specialist
Department of Pediatrics
