Perrette Genoese
New York Fire Alarm Association
30 Rome Street
Farmingdale, NY 11735

Dear Ms. Genoese:

Thank you for your generous support of the 2024 Badge of Courage Celebration. Your contribution played a key role in making the event both a memorable occasion and a financial success for the Museum.

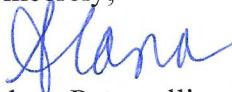

Your generosity has made a significant impact, helping us provide each visitor with crucial, lifesaving knowledge about fire safety. Thanks to your support, visitors learn about essential topics like escape planning, the importance of smoke detectors, and practical measures they can take to protect their homes from fire.

Our educational programs continue to leave a lasting impression, especially on the children who visit. We often hear from teachers and students who express their gratitude for the valuable lessons learned here at the Museum. It's through donations like yours that we are able to offer this vital education to every visitor who walks through our doors.

We'd love for you to visit the Museum anytime during the year and see firsthand the difference your support is making. We are incredibly grateful for your commitment to fire safety and would be delighted to give you a tour of our programs and exhibits. If you'd like to arrange a visit with your family, friends, or colleagues, please don't hesitate to contact me.

Once again, thank you for your generous contribution and for helping us make fire safety education accessible to all. Your support of the Museum's annual Gala truly makes a difference.

Sincerely,

Alana Petrocelli
Executive Director
