Dear Val,

Thank you for your gift of \$7,500 to Staten Island University Hospital. Your generous support enables us to provide exceptional, compassionate care to the more than two million people who turn to us each year, no matter their ability to pay.

Philanthropy empowers us to make an impact far beyond the walls of our care locations—strengthening the health of our communities, advancing groundbreaking research and bringing life-saving treatments to our patients.

By supporting Staten Island University Hospital, you become part of the Northwell team. Together, we are rewriting what is possible in health care and helping us to create a healthier vision of the future. Thank you, again.

Sincerely,

A handwritten signature in blue ink that reads "Brian T. Lally".
